

Sing for the Climate, Do It Now

<https://www.youtube.com/watch?v=5OxJV-l8UJc>

(sung to the tune of *Bella Ciao*)

The letters below are notes (not chords) for the melody in the Key of A minor

We sing it in A minor, which is a different key than the video

E A B C A
We need to wake up
E A B C A
We need to wise up
E A B C B A C
We need to open our eyes
C B A E E E
And do it now now now
E D E F F E D F E
We need to build a better future
D C B E C B A
And we need to start right now

E A B C A
We're on a planet
E A B C A
That has a problem
E A B C B A C
We've got to solve it, get involved
C B A E E E
And do it now now now
E D E F F E D F E
We need to build a better future
D C B E C B A
And we need to start right now

A B C A
Make it greener
A B C A
Make it cleaner
A B C B A C
Make it last, make it fast
C B A E E E
and do it now now now
E D E F F E D F E
We need to build a better future
D C B E C B A
And we need to start right now

E A B C A

No point in waiting

E A B C A

Or hesitating

E A B C B A C C

We must get wise, take no more lies

C B A E E E

And do it now now now

E D E F F E D F E

We need to build a better future

D C B E C B A

And we need to start right now (REPEAT)
